Stage 1 Group Stage Prizes

If 5 individuals successfully evaluate all 16 winning teams that will advance to the knockout stage, then the 1,000 DFI prize pool will be split among them equally, and each individual will receive 200 DFI. Correspondingly, their referrers will share the 500 DFI referrer pool, and each individual referrer will receive 100 DFI each (or more depending on whether the individual referrer referred more than one successful participant).

Stage 2 Knockout Stage Prizes

- (a) For successful evaluation of the Champion team in the 2022 World Cup and the match score of all four knockout stages: **1 BTC prize pool to be split among the successful participants**
- (b) Referrers who referred the successful participants in Stage 2 (a) above during the Campaign period: **1,000 DFI prize pool to be split among the referrers in accordance with their corresponding referee(s) that qualify for Stage 2 prize (a)**

Clarification: -

In order to qualify for the 1 BTC prize pool in Stage 2(a), you must fulfill both the successful evaluation of the Champion team as well as the successful evaluation of the match score for all four knockout stages.

For example, if you successfully evaluate the Champion team in the 2022 World Cup but fail to successfully evaluate the match score of one or more knockout stages, you will not receive any portion of the prize pool.
